Prescription Drug Mail Order Program

Pharmacy Benefit Strategists

Dahmes Stainless, Inc. is pleased to offer you the opportunity to get **FREE** brand-name and specialty medications through our partnership with ElectRx. This benefit is part of your employer-sponsored prescription drug program and is provided through the Personal Importation (PI) Program.

With this program, eligible brand-name medications are sourced from trusted brick-and-mortar pharmacies in Canada, New Zealand, Australia, and England—the same pharmacies local residents use.

All eligible medications are **\$0 cost to you**; there is no deductible, no copay, and no coinsurance. They're **FREE!** To qualify, your medication must be covered by your employer's plan and have been filled at least once.
